

# LATE PICK-UP POLICY & ABANDONMENT CLAUSE

---

## LATE PICK-UPS

Owners are expected to pick up their pet on the agreed-upon day. If the owner is unable to pick up their pet on the scheduled day, each additional day will cost the daily rate for the animal plus a \$5 per day late fee. Owner must contact Kat's Kreatures if they expect not to be able to pick up their pet(s) on time.

## PET ABANDONMENT

If the pet is not picked up within 10 days after the scheduled pick-up date and the owner has not made contact, the pet will be considered abandoned. Kat's Kreatures reserves the right to rehome, surrender, or otherwise make arrangements for the pet as deemed necessary. The owner will remain financially responsible for any accrued boarding and veterinary costs, as well as any legal fees incurred in resolving the matter. No refunds will be issued for abandoned pets.
